

# Call for Performers

## Audition Application Information

### ABOUT

Music Under New York (MTA MUSIC) is one of many visual and performing arts programs administered by MTA Arts & Design. Once a year, MTA MUSIC holds an Audition to add new performers to its roster. Applications are reviewed, and approximately 65 eligible performers are selected and contacted to participate in the live event, held for one day. All applicants are welcome.

During the Audition, a panel of professionals — representing the music industry, cultural institutions, station operations, and fellow musicians — judge each of the performances based on quality, variety, and appropriateness for the mass transit environment.

Performers, who are selected and join the roster, are eligible to contact MTA MUSIC to preschedule or “book” performances at designated MTA MUSIC locations. MTA MUSIC performers are not paid, except for special events, but may accept donations. All subway performers must abide by the transit rules and regulations. Please visit the MTA website, [MTA Rules Of Conduct](#), and review section 1050.6 prior to the Audition.
