### MTA LIRR Delivers Free Monthly Tickets in Mail&Ride Sweepstakes

For more than 30 years, the MTA Long Island Rail Road's Mail&Ride Program has been a convenient, money saving way for commuters to receive their monthly tickets. Now, there's another reason to join the Program, in fact, four reasons. Each month, four lucky individuals will each win a monthly commutation ticket in Mail&Ride's Free Monthly Ticket Sweepstakes. The random sweepstakes drawing will take place on the 20th of each month.

Mail&Ride offers commuters convenience, flexibility, easy payment options and a great way to simplify your commute by adding optional NYC Transit MetroCard value to the flip side of your rail ticket. Monthly tickets are discounted up to 50% off the one-way peak fare. Join Mail&Ride, as more than 45,000 LIRR customers already have, and save an additional 2% or 5% (depending on your MetroCard choice) off the cost of your monthly ticket.

Each month, all active Mail & Ride customers in good standing who purchased a monthly ticket in the previous month are automatically entered into the Sweepstakes.

Non-Mail&Ride customers may also enter by submitting a 3"x 5" hand printed piece of paper or postcard with their name, complete mailing address, telephone number, date of birth, and the words "Long Island Rail Road Free Monthly Sweepstakes." These entries must be mailed in a sealed, stamped and hand printed #10 envelope to Long Island Rail Road Mail&Ride Free Monthly Sweepstakes, 93-59 183rd Street Dept # 3157, Hollis, NY 11423.

Mail&Ride applications are available at LIRR ticket offices or customers can apply on line at [www.mta.info](http://www.mta.info). For Rules and details, mail SASE to Long Island Rail Road Free Monthly Sweepstakes Rules, 146-01 Archer Avenue Dept # 1423, Jamaica, NY 11435 or go to [www.mta.info](http://www.mta.info).
