Track Work Means Weekday Off-Peak Busing On Port Jervis Line

To accommodate necessary track work, buses will replace four weekday off-peak trains at the Port Jervis Station from Monday, September 17, 2007 to Friday, October 12, 2007.

Customers for the 11:31 a.m. and 1:28 p.m. departures from Port Jervis will be taken by bus to the next stop, Otisville, where they will get on a southbound train.

Northbound trains departing Hoboken at 8:25 a.m. and 9:47 a.m. and Secaucus Junction at 8:35 a.m. and 9:57 a.m. will terminate at Otisville. Customers can transfer to buses at Otisville for the 14-mile trip to the Port Jervis Station.

Approximately 30 Port Jervis customers will be affected by this change.
