No Staten Island Limited-Stop Bus Service on Martin Luther King Day

MTA NYC Transit buses and subways will operate normal weekday routes and schedules on Martin Luther King, Jr. Day Monday, January 15. On Staten Island, however, limited-stop bus trips will not run. Customers should use local buses traveling on the same routes and plan for extra travel time.

Riders can get information on service advisories, weekend service diversions, and other news on MTA NYC Transit's podcast service -- TransitTrax. TransitTrax is available in a downloadable mp3 format on the MTA website at www.mta.info
