Weekend Track Work In New Jersey to Affect Rockland County Rail Service

NJTransit signal work this weekend between North Hackensack and Emerson stations in New Jersey will affect service on the Pascack Valley Line in Rockland County.

On Friday, May 2, the outbound trains departing Hoboken at 10:35 p.m. and 12:43 a.m. will incur delays of up to 15 minutes.

On Saturday, May 3 and Sunday, May 4, two inbound trains will be cancelled: the 9:10 a.m. and 11:19 a.m. departures from Spring Valley.

Also on those dates, May 3 and May 4, two outbound departures from Hoboken will be cancelled: the 3:20 p.m. and 5:16 p.m.

The 12:19 p.m. departure from Spring Valley will leave 6 minutes earlier, and the 4:15 p.m. departure from Spring Valley will leave 3 minutes earlier.

The 8:11 p.m. departure from Spring Valley will leave one hour later at 9:12 p.m.

Virtually all outbound trains from Hoboken EXCEPT the 7:22 p.m., 11:22 p.m., and the 12:43 a.m., will have departure delays between 15 and 20 minutes. However, their Nanuet and Spring Valley arrivals will be 30 to 60 minutes late due to the need to "hold" these trains north of Pearl River to allow inbound trains to pass.
