### MTA LIRR Getaway to "The End"

#### Full day visit to Montauk on June 28

The "ultimate" seaside resort, Montauk, also happens to be at the very end of Long Island's South Fork and the MTA Long Island Rail Road's one-day "Montauk Lighthouse" getaway is the best way to see this seaside community. Three distinct areas are on the itinerary including Montauk Village, the Lighthouse and Gosman's Dock.

This getaway is offered on June 28, July 26, August 16 and September 13. The cost is \$40 for adults and \$30 for children 5-11.

The day begins with a stop at Montauk village where many unique stores offer wares from surfboards to the latest swimwear. Lunch can also be purchased at a variety of local restaurants. The world-famous Montauk Lighthouse is the next destination. Participants can choose to climb 137-steps up the spiral staircase for spectacular views or stroll around the landscaped property and take in the museum and gift shop on the first floor. Gosman's Dock is the last stop of the day. Seafood can be purchased at the outdoor clam bar or at the renowned restaurant overlooking Montauk Harbor. Nearby boutiques are also there for the browsing and returning fishing boats make for an interesting look-see.
