### SERVICE ADVISORY: MTA NYC Transit Adds Bus Stop to Q83 Limited Route

Officials of MTA New York City Transit today announced that a bus stop is being added to the Q83 Ltd route effective Monday, November 3, 2008 as a result of requests from customers.

In an effort to better serve our customers, the Q83 Ltd-stop buses will begin stopping at Liberty Avenue-177th Street. In the 113th Drive/227th Street-bound direction, the stop will be on Liberty Avenue at the near side of 177th Street, while in the 153rd Street/Hillside Avenue-bound direction the stop is on Liberty Avenue at the far side of 177th Street.

This decision was reached based upon requests from our customers, after which supervision deemed the location feasible and safe through field observations. This new stop on the Q83 Ltd will also allow riders on the Q83 Ltd to transfer to the Q42 bus route.

Customers may call our Travel Information Center at 718-330-1234 from 6 a.m. to 10 p.m. daily, or log onto [www.mta.info](http://www.mta.info) to use Trip Planner to plan their trips. Customers with web enabled phones or PDA's can use our Trip Planner On-the-Go! by going to [www.tripplanner.mta.info/mobile](http://www.tripplanner.mta.info/mobile); in addition to planning their trips, Blackberry users can download the free icon for one touch access to the service.
