### Service Advisory-Update: Weekend Subway Changes Cancelled Due To Inclement Weather

Due to the impending snow storm, all weekend work previously scheduled for Friday, December 18 through Monday, December 21 has been cancelled. Therefore, the ACDE and S (Rockaway Shuttle) will operate normally.

As a reminder, the Coney Island-bound Q platforms at Avenue H, Avenue M, Avenue U and Neck Road remain closed at all times until 2010. Also, Queens-bound service on the RW (and N during the late night hours) is restored at the Cortlandt Street station.

In addition, New York City Transit's Nostalgia Shoppers' Special will not operate this Sunday due to the cold weather operating plan in place in the subway system. However, weather permitting, the vintage train is scheduled to return to service next Sunday, December 27th.
