### MTA LIRR Adds Extra Train For This Sunday's St. Patrick's Day Parade At Montauk

#### ***Alcoholic Beverages Will Not Be Allowed on Trains and Platforms and at Stations East of Babylon on the Montauk Branch for the day of Parade***

The MTA Long Island Rail Road has added an extra, eastbound morning train to Montauk this Sunday, March 22, for customers planning to attend the Annual St. Patrick's Day Parade at Montauk. The added train, which provides another opportunity for customers to arrive in time for the 12:30 PM parade start time, departs Jamaica at 8:56 AM and makes stops at Babylon (9:33 AM), Bay Shore (9:39 AM), Sayville (9:49 AM), Patchogue (9:57 AM), Speonk (10:23 AM), Westhampton (10:29 AM), Hampton Bays (10:39 AM), Southampton (10:49 AM), Bridgehampton (10:57 AM), East Hampton (11:07 AM), Amagansett (11:12 AM) and arrives Montauk at 11:32 AM. This train supplements the LIRR's regular Sunday schedule for the day.

Customers attending the parade are advised to purchase round-trip tickets in advance.

Additionally, the LIRR is advising customers planning to attend the parade that alcoholic beverages will not be permitted on trains and platforms and at stations on the Montauk Branch east of Babylon in an effort to maintain orderly travel. MTA Police will be gating the flow of customers at key Montauk Branch stations and any alcoholic beverages observed or found will have to be disposed of by customers. Alcohol is also prohibited on the LIRR for events on other days of the year including: New Year's Eve, the Puerto Rican Day Parade, the Central American Day Parade and Festival, St. Patrick's Day Parade (NYC) and Belmont Stakes Day.

For travel information, customers can contact the LIRR's 24-hour Travel Information Center in Suffolk County at 631-231-LIRR, in Nassau County at 516-822-LIRR or in New York City at 718-217-LIRR. The Travel Information Center's TDD telephone number for the hearing impaired is 718-558-3022. Customers can also consult the LIRR's website at [www.mta.info](http://www.mta.info).
