### Radio City Rockettes Kick-Off Metro-North Promotion at Grand Central And Croton-Harmon and Stamford Stations Too

The Rockettes will be kicking up their heels this Saturday November 14 over Metro-North's Radio City Christmas Spectacular discount ticket promotion.

The high-steppers will step off at Stamford and Croton-Harmon train stations at 10 a.m., then travel aboard trains to Grand Central—meeting and greeting Metro-North customers aboard.

The chorine-bearing trains will arrive at tracks 23 and 25 at 11:35 a.m., with a promotions display set-up between Tracks 29 and 30.

Photo ops and a chance to win tickets to the Radio City Christmas Spectacular can all be had at the event.

Or mention code "METRO" when you order full-price tickets to select performances of the Radio City Christmas Spectacular® between November 13 - December 30 and for each select ticket you purchase you'll save \$10 and receive a FREE round-trip rail ticket, good for travel to the show on Metro-North.

Interestingly, Radio City Music Hall and Grand Central have something of a historical relationship. The Music Hall was originally deigned "RKO Radio City Music Hall" as a showcase for the movies produced by RCA's motion picture division. And RKO Radio Pictures shot more movies in Grand Central Terminal than any other motion picture company, including Alfred Hitchcock's 1945 thriller "Spellbound" and "Without Reservations," which teamed Claudette Colbert and John Wayne in 1946.
