Brighton Line Rehab Schedule Update

Platforms Re-opening; B3K Bus Schedule Revised

MTA NYC Transit announces that beginning Monday, January 18, 2010, the Brighton Beach/Coney Island-bound platforms at Avenue U and Neck Road will reopen following rehabilitation. The Manhattan-bound platforms at Neck Road and Avenue U will close for rehabilitation for approximately one year.

Customers at Neck Road and Avenue U should take trains to Sheepshead Bay and transfer to Manhattan-bound trains. Customers traveling to Neck Road and Avenue U should take Manhattan-bound trains to Kings Highway and transfer to Coney Island-bound trains.

The special B3K bus service will no longer operate on weekday afternoons but will provide additional weekday morning service to/from Kings Highway for this phase of the project. The B3K will operate between 5:50 a.m. and 9:10 a.m. on Avenue U between Gerritsen Avenue and Ocean Avenue to/from the Kings Highway/East 16th Street BQ station. The bus will run every 10 minutes and take approximately 15 minutes to travel in each direction. The regular fare is charged for the B3K bus service (\$2.25).

Brighton Beach/Coney Island-bound BQ trains will continue to make local stops and continue to bypass Avenue H and Avenue M until Fall 2010.

Customers should allow for additional travel time. For further information, customers should consult the Weekend Service Change notices posted in subway stations. Customers may also call NYC Transit's Travel Information Center at 718 330 1234 or log on at www.mta.info.
