Customers traveling to Mets-Willets Point Station from branches other than Port Washington can take the LIRR to Woodside Station, then transfer to a Port Washington Branch train. Since Mets-Willets Point Station is located in Fare Zone One, tickets to that zone from outlying stations are valid to Mets-Willets Point. However, customers must hold onto their ticket stubs and inform ticket collectors of their intention to travel to Mets-Willets Point.

Since on-board fares are higher, customers are advised to buy tickets in advance at ticket offices, ticket machines, or on-line through the LIRR's WebTicket service (allow five business days for delivery). Customers planning to attend more than one match, or planning to travel with other tennis fans, may want to purchase a Peak or Off-Peak Ten-Trip ticket.

LIRR Customers with mobility impairments who are traveling to the U.S. Open should travel to Woodside Station. At Woodside Station, which is ADA accessible, customers should transfer to a Flushing-bound #7 subway train to the Mets-Willets Point subway stop, and then use the ramp to reach Roosevelt Avenue, across from the ballpark. To return to Woodside after the game, customers with mobility impairments should board the #7 subway and travel one-stop east to its end point, the Flushing-Main Street Station. There, after a brief wait on the train, the subway will head west to Woodside. This is necessary due to the location of the ramp, which will only permit access to the eastbound platform.

Customers should pick up a copy of the LIRR's special U.S. Open timetable, dated

August 24-September 12, at terminals and stations. For additional information, customers can contact the LIRR's 24-hour Travel Information Center, in Suffolk County at 631-231-LIRR, in Nassau County at 516-822-LIRR or in New York City at 718-217-LIRR. The Travel Information Center's TDD telephone number for the hearing impaired is 718-558-3022.
