IMMEDIATE

Throgs Neck Bridge, Both Directions Weeknight Lane and CIP Ramp Closures: Mon., 5/24 through Thurs., 5/27: 10 PM to 5 AM

Two out of three southbound (to Queens) lanes on the Throgs Neck Bridge will be closed to traffic from 10 PM until 5 AM starting Monday night, 5/24 through Thursday morning, 5/27. The **Cross Island Parkway (CIP) ramp southbound (to Queens)** will also be closed during these periods.

In addition, **two out of three northbound (to the Bronx) lanes, as well as the CIP northbound ramp**, will be closed to traffic starting from 10 PM Tuesday, 5/25, until 5 AM Wednesday, 5/26; and again, if necessary, from 10 PM Wednesday night, through 5 AM Thursday morning, 5/27.

During these closures a single bridge lane in either direction will remain open with access only to and from the Clearview Expressway.

The closures are necessary to allow for ongoing reconstruction of the bridge roadway, including milling and paving work.

Motorists are advised to expect delays during closures, or use alternate routes.

All planned work is weather-permitting.
