MTA NYC Transit apologizes for any inconvenience to our customers. Service changes at Fulton Street-Broadway Nassau station complex will continue for most weekends through October. As weekends approach, customers should:

- Pick up brochures that detail alternate travel options
- Look for signs and service change posters in stations
- Visit the website at and check on "Planned Service Changes" and/or "Current Service Status"
- Sign up for free email or text message alerts at www.mta.info
- Follow changes on Twitter at [nyctsubwayscoop](https://twitter.com/nyctsubwayscoop)
- Call Travel Information at 718-330-1234

The Fulton Street Transit Center

Some of the work being done at Fulton Street/Broadway-Nassau during these weekends include reinforcing girders over the AC platform. There will also be elevator work, which consists of digging the pits on the AC platform and at least partially constructing the shafts up through all levels of the station.
