IMMEDIATE

CIP Southbound to Queens Ramp & Full Bridge Closure at Throgs Neck Bridge Overnight Thurs., June 24th Into Fri., June 25th

Motorists are advised to expect delays at the Throgs Neck Bridge beginning **Thurs. June 24th at 9 PM** through **Fri., June 25th at 5 AM** for the installation of an overhead gantry sign.

The work will include the **full closure of the bridge** in both directions between **1:30 AM and 3:30 AM on Fri., June 25th**. Motorists are advised to seek an alternate route during these hours.

The work will begin at **9 PM, Thurs., June 24th** with the full closure of the southbound to Queens Cross Island Parkway ramp. In addition, a second southbound lane across the bridge will be closed at **11 PM**. The CIP southbound to Queens ramp and the second lane across the bridge will be reopened by **5 AM, Fri., June 25th**.

All work is weather permitting.
