ROBERT F. KENNEDY BRIDGE HARLEM RIVER LIFT SPAN BRIDGE LIFTS

The Robert F. Kennedy Bridge's Harlem River Lift Span will be closed to vehicular traffic for intermittent periods between 12:01 AM to 5 AM on Friday, May 28th to accommodate maintenance work on the lift span.

These closures will affect all traffic going into and out of Manhattan over the Robert F. Kennedy Bridge. Motorists should use an alternate route or expect delays during these periods. These closures are weather-dependent.
