### Weekend Subway Service Advisory for Changes Affecting 1 5 7 D F G J M N

Customers may visit our website at [www.mta.info](http://www.mta.info) and check out "The Weekender," which takes over the front page of MTA.info each weekend. The Weekender makes it easy for subway riders to visualize exactly how weekend work will affect subway service. In addition, TripPlanner provides travel information that takes weekend service diversions into account.

These weekend changes are taking place because of capital construction work on the MTA New York City Transit subway system. This work is part of NYC Transit's ongoing Capital Rebuilding Program aimed at upgrading and maintaining our tracks, stations and signal systems in order to continue to provide our customers with safe and reliable service. For more information on the 2010-2014 Capital Program log on to [www.mta.info/capital](http://www.mta.info/capital). Customers who rely on these lines should allow for additional travel time.

#### 1

At all times until summer 2012, 1 trains bypass the downtown platform at Dyckman Street due to station rehabilitation. Customers wishing to travel downtown are advised to take the uptown 1 train from Dyckman Street to 207th Street and use a free MetroCard transfer to the downtown side.

#### 5

From 12:01 a.m. Saturday, December 17 to 5 a.m. Monday, December 19, there are no 5 trains between Dyre Avenue and 149th Street-Grand Concourse due to track and finishing work for the East 180th Street Interlocking project. For service between:

- Dyre Avenue and East 180th Street, customers may use the free shuttle buses.
- East 180th Street and 149th Street-Grand Concourse, customers may take the 2 train.
