### MTA Winter Storm Preparations

#### *Press Briefing Tuesday, January 11 at Noon at MTA Headquarters on Storm Plans*

The MTA is closely monitoring the snowstorm forecast for Tuesday evening into Wednesday. In an effort to ensure safe travel across the region, the MTA has begun early storm preparations in advance of the storm. We are readying the materials and equipment that will need to be deployed when the storm advances, and are prepared to deploy the necessary personnel to operate our services during the storm.

We expect to run normal service on all MTA services for the morning and evening rush hours on Tuesday, but as the storm gets underway please monitor [www.mta.info](http://www.mta.info) as well as media reports for the latest service update.

During the storm, we urge all of our customers to take extra care when traveling. Stay clear of the platform edges, use handrails on staircases and walk carefully when entering or exiting stations and boarding or leaving trains and buses. Please allow extra time for travel during the storm.

#### **Media Advisory:**

#### **Press Briefing: MTA Storm Plans**

January 11, 2011 Noon

MTA Headquarters

MTA Chairman Jay Walder and MTA agency presidents will hold a press briefing to discuss storm plans at Noon on Tuesday, January 11 at MTA Headquarters, 347 Madison Avenue, NY.
