### #5 Service Suspended Beginning at 10 a.m.

*Between 149th Street/Grand Concourse and East 180th Street*

Due to a broken rail south of 149th Street/Grand Concourse, 5 service will be suspended from 149th Street/Grand Concourse and East 180th Street starting at 10 am and expected to end in time for the afternoon rush hour. In addition, there will be no southbound trains at 138th Street-Grand Concourse.

During this morning's rush hour, there is a slow speed restriction of 5 miles per hour through the area. We regret this inconvenience to our customers and are working to return to normal service as soon as possible.
