Weekend Subway Changes Affecting Service on the 1 3 4 6 D F G L M N Q

Because of capital construction work on the MTA New York City Transit subway system, the following changes will be in place over the weekend. This work is part of NYC Transit's ongoing Capital Rebuilding Program aimed at upgrading and maintaining our tracks, stations and signal systems in order to continue to provide our customers with safe and reliable service. For more information on the 2010-2014 Capital Program log on to www.mta.info/capital. **Customers who rely on these lines should allow for additional travel time.**

1

At all times until summer 2012, 1 trains bypass the downtown platform at Dyckman Street due to station rehabilitation. Customers wishing to travel downtown are advised to take the uptown 1 train from Dyckman Street to 207th Street and use a free MetroCard transfer to the downtown side. **Note: The downtown platform at 225th Street will be closed at all times until Monday, October 10 due to platform edge and panel replacement.** Customers wishing to travel downtown are advised to take the uptown 1 train from 225th Street to 231st Street and transfer to the downtown side.
