MTA's Railroads Help You 'Kick' Off the Holiday Season!

There's no better way for adults and kids of all ages to catch the exciting New York holiday spirit than taking in the Radio City Christmas Spectacular starring the world-famous Radio City Rockettes. The new 2011 Radio City Christmas Spectacular features new Rockette performances, new musical compositions and heartwarming songs, dazzling new costumes and state-of-the-art technology alongside cherished numbers that have been featured in the show since 1933.

Using cutting edge technology, audiences will be part of an immersive holiday experience including a new 3DLive video game adventure and digital projections, as scenery extends beyond the stage transforming the interior of Radio City into a magical canvas.

The MTA's railroads are the best way to get to the show, whether you're coming via the Long Island Rail Road or Metro-North Railroad. For tickets call Ticketmaster at 866-858-0007. Depending on which railroad you're using, mention the special code "LIRR" or "MNR" when you order full-price tickets to select performances, and for each ticket you purchase (up to eight), you'll save \$10 and receive a free round-trip rail ticket, good for travel to the show.
