One Bronx-bound Lane On The Clearview Expressway Entrance Ramp Also Closed Until Approximately Noon

One lane on the Throgs Neck Bridge's Cross Island Parkway entrance and exit ramps, as well as one lane on the Bronx-bound Clearview Expressway entrance ramp to the bridge, will be closed **Sunday, April 3rd between 6 a.m. and 2 p.m.** for necessary maintenance work.

The work will begin with the closure of one of two lanes on the Bronx-bound Cross Island Parkway ramp and the Bronx-bound Clearview Expressway entrance ramp.

Once completed, those lanes will be reopened and work will switch to the Queens (south) bound ramp where one of two lanes will be closed. The far right lane leading to the ramp after the toll plaza will also be closed at this time.

Motorists are advised that they may experience delays, particularly in the Queens-bound direction, and may want to use an alternate route.
