IMMEDIATE

Queens Midtown Tunnel Tube Heading Into Manhattan Closed For Necessary Work 9 PM Fri., July 8th Through 2:00 AM Mon., July 11th

Two-Way Traffic Will Operate In Remaining Tube

The Queens Midtown Tunnel tube leading **into Manhattan** will be closed to traffic beginning **9 PM on Friday, July 8th through 2:00 AM on Mon., July 11th** while necessary construction and rehabilitation work is performed.

Two-way traffic operation will be in effect in the remaining tube **for cars and NYCT buses only** during this time. Commercial traffic must use an alternate route while two-way traffic operations are in effect.

The work is being done by Restani/Excellent Paving, of Astoria, Queens, and will include removing old concrete and replacing it with fast-setting concrete, repairing potholes, and repaving several areas inside the tube that were affected by harsh winter weather. **All work is weather permitting.**

Motorists should expect delays and are advised to use either the Robert F. Kennedy Bridge or Brooklyn-Battery Tunnel as an alternate. Signs will be posted and traffic agents will be on hand to direct motorists
