### Cross Bay Bridge One Lane In Each Direction Closed Weekdays Between 7 AM And 6:30 PM Until Fall

One lane in each direction at the Cross Bay Veterans Memorial Bridge will be closed to traffic weekdays **between 7 a.m. and 6:30 p.m.** for concrete repairs beneath the bridge.

The southbound lane closure to the Rockaways begins Monday, May 14th and the northbound lane closure to Beach Channel starts Monday, May 21st.

The daily lane closures, which will last through the fall, are necessary to accommodate equipment being used for the project to repair the concrete piers below the bridge.

The work is part of the \$13.2 million, 26-month project to rehabilitate the bridge's concrete piers. The project is expected to be completed in 2013.
