Tanger Outlet Tree Lighting featuring Santa and the Radio City Music Hall Rockettes

What: The MTA Long Island Rail Road is teaming up with Tanger Outlets for the special Tanger Tree Lighting being held tomorrow, Saturday, November 17 at the Tanger Outlets at the Arches in Deer Park. It's a day-long, fun-filled event starting at about 10 AM – featuring face painters, balloon artists, stilt walkers, characters and a Winter Wonderland photo booth, where attendees can dress up using holiday props for a festive photo. Throughout the day there will be several musical performances on stage. And, to the delight of all the children, Santa will be kicking off the tree lighting show at 3pm with Mrs. Claus. Afterwards, attendees can have their photos taken with Santa at no cost. The ice rink will have a skating show at about 3:45pm -- all culminating with the headlining act, Austin Mahone, along with two fabulous Radio City Rockettes lighting the tree.

Throughout the day, representatives from the Long Island Rail Road will be raffling off tickets to the Radio City Christmas Spectacular® and Dr. Seuss' How The Grinch Stole Christmas! The Musical! at The Theater at Madison Square Garden®, courtesy of the LIRR show sponsors.

The LIRR reps will also show how the Railroad can help save money this holiday season with discounted packages to performances of the "Grinch," the Radio City Christmas Spectacular, as well as "A Christmas Story, The Musical!" and "ELF" on Broadway. These offers are the best around and include both discounts on select performances and free rail tickets. Making travel to and from holiday events in New York City easy and convenient, the LIRR is adding special holiday weekend trains starting Thanksgiving weekend and continuing on weekends throughout December.

When: Festivities start at about 10:00 AM, with the Santa/Rockettes tree lighting event from 3 PM-6 PM

Where: Tanger Outlets at the Arches in Deer Park, NY
