### MetroCard Bus/Van at a Location Near You

MTA New York City Transit wants customers to know that there are two kinds of traveling MetroCard Service Centers: the MetroCard Bus and the MetroCard Van. Both vehicles make regularly scheduled stops in all five boroughs each month. For listing of this month's locations, please see the attached document.

The MetroCard Bus travels around the city, stopping at senior citizen centers, shopping centers and along major bus routes. Customers can handle all of their MetroCard needs, whether it's applying for or refilling a Reduced-Fare MetroCard, buying or refilling a regular MetroCard or asking MetroCard-related questions. Senior citizens and people with disabilities may apply for the Reduced-Fare MetroCard on the Bus. They will need photo ID and seniors must show proof of age (at least 65 years old).

The MetroCard Van, like the Bus, travels around the city with helpful on-board staff ready to sell Unlimited and Pay-Per-Ride MetroCards, add money to regular and Reduced-Fare MetroCards and answer questions. Reduced-Fare MetroCard applications are available. EZ Pass *On The Go* tags are also available for purchase on both the Bus and the Van.

The MetroCard Bus and Van do not operate on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas.

Customers may want to explore the EasyPay Reduced-Fare payment option. EasyPay lets customers link to their credit or debit card to their Reduced-Fare MetroCard so it refills automatically.
