Bronx-Whitestone Bridge Overnight Lane Closures Beginning Mon. June 4th For Necessary Repaving Work

Two Bronx-bound lanes on the Bronx-Whitestone Bridge will be closed for roadway paving ***Monday through Friday from 10 p.m. to 5:30 a.m.*** beginning **Monday, June 4th.**

In addition, two lanes heading into Queens will be closed on one night, **Friday night into Saturday morning**, from ***11 p.m. to 8 a.m.*** for the same repaving work.

Contractor EE Cruz/Tully will be removing and adding new pavement overlay on the bridge span. The work, which is weather dependent, is expected to take approximately eight weeks to complete.

Motorists may experience delays while this work is done.
