### ADVISORY: Footage Available of MTA Crews Restoring L Train's East River Tunnel

The MTA has released video footage of employees working to restore the tracks and signals of the 14 th Street Tunnel under the East River, which carries the L subway line between Manhattan and Brooklyn. The tunnel has been pumped dry of water, and workers are now focused on repairing tracks and signals.

The video is available for download at this You Tube link: <http://youtu.be/DpfkZ-5mOw>
