LIRR Announces 2012 New York City Getaway Packages

New "Downtown Culture Pass" and the "Statue of Liberty Express" are the New Attractions

MTA Long Island Rail Road has unveiled its 2012 package of **New York City Getaways** featuring two brand new Manhattan sightseeing attractions as well as many of your perennial favorites – all available at significant savings over the regular price of round-trip rail travel, museum admission and purchases.

The LIRR's NYC Getaways are a savvy traveler's economical way to see all that the great town has to offer, from the Statue of Liberty and the Empire State Building to the Madame Tussaud's and Ripley's Believe It Or Not museums.

This year's line-up of 18 attractions, special events, tours and shopping include two great new discount packages:

Downtown Culture Pass – Eight downtown Manhattan museums have banded together to create the Downtown Culture Pass granting holders free admission and discounts in museum shops at Fraunces Tavern Museum, Museum of American Finance, Museum of Jewish Heritage, National Museum of the American Indian, New York City Police Museum, Skyscraper Museum and the Tribute WTC Visitor Center. The Downtown Culture Pass will also get you discounts at local restaurants and reduced ticket rates for the Wall Street Walks Walking Tours.

Statue of Liberty Express – See Lady Liberty in 60 minutes! Climb aboard the distinctive yellow ferry for a fast and fun ride to Liberty Island and a seaside view the Statue of Liberty from New York Harbor. Our top-rated guides ensure you have a great time and leave more informed about the City of New York than when you arrived (even if you've lived here your entire life). A cash bar is available on board to keep you refreshed along the way.
