Hylan Boulevard S79 SBS Project

To Be Discussed at Public Meeting in Staten Island

MTA New York City Transit and the New York City Department of Transportation invite the public to a meeting on Wednesday, March 14, from 7 p.m. to 8:30 p.m. at the Renaissance in the Grant City section of Staten Island.

The meeting will give residents an opportunity to learn about the Hylan Boulevard S79 SBS project, its operation and proposed bus stop locations. Participants will be able to view the proposed plan for the corridor and talk with project team members. People are encouraged to tell us about their concerns and issues regarding transit service, traffic conditions, pedestrian safety and curb use along Hylan Boulevard.

There will be a formal presentation beginning at 7:15 p.m. in the Imperial Room of the Renaissance at 2131 Hylan Boulevard (at Bedford Avenue) in Staten Island. Visit the NYC DOT website at www.nyc.gov/brt for updated project information.
