Special Traffic Advisory: Center Lane On The Robert F. Kennedy Bridge's Queens To Manhattan Ramp Closed For Two Weeks Beginning Mon., Feb. 27th Through Mon. March 12th

The center lane of the **Queens to Manhattan** ramp at the Robert F. Kennedy Bridge will be closed to traffic for approximately two weeks beginning **Mon., Feb. 27th through Mon., March 12th** while roadway repairs are done.

Two lanes will remain open to traffic while this work is performed.

In addition to the above work, beginning at **9 p.m. on Fri. March 2nd through 5 a.m. Mon., March 5th** roadway repairs will also be underway at the **Manhattan to Queens** ramp at the RFK Bridge. One lane will remain open.

Motorists are advised that they may experience delays while work at both of these locations is performed.
