### No Fooling... New Metro-North Schedules Effective April 1st

#### *Minor Timetable Changes Needed for Track Work*

MTA Metro-North Railroad is introducing new schedules, effective Sunday, April 1, that reflect a number of minor train time adjustments of up to 10 minutes, earlier or later, primarily on weekend Upper Hudson and Harlem Line trains.

The railroad also is tweaking train times on a handful of weekday Hudson, Harlem and New Haven AM Peak trains to accommodate seasonal track and catenary work.

Metro-North also is adding an extra Saturday-only train departing Stamford at 8:30 PM that arrives in Grand Central at 9:36 PM. This train is for those on the New Haven Line who like to head to Manhattan on the weekends. It makes all local stops: Old Greenwich, Riverside, Cos Cob, Greenwich, Port Chester, Rye, Harrison, Mamaroneck, Larchmont, New Rochelle, Pelham, Mt. Vernon East, Fordham and Harlem-125th Street.

For more details, pick up a new timetable available at outlying ticket offices and in GCT or visit the schedules page at [mta.info](http://mta.info) or call the Customer Service Center at 511 (in CT, call 877-690-5114).

Customers also can access train times via smart phones using Metro-North Train Time or receive them by text message via CoCoCo.
