Ride MTA LIRR to Splish Splash Long Island Water Park

Rail, Shuttle Bus and Park Admission for One Great Price Through September 2

Splish Splash Water Park on Long Island's North Fork is now open daily and MTA Long Island Rail Road can get you there with a package deal that includes rail, shuttle bus and park admission at a savings of up to 27% on regular prices. The LIRR Splish Splash Package price is \$63.75 for adults and \$50 for children ages 4-11. That adds up to an \$11 saving for adults on park admission and \$7 for children.

You'll take the LIRR to Ronkonkoma Station and board an air-conditioned North Fork Express Bus to Splish Splash. This special summer getaway package is available weekdays, weekends and holidays through September 2. Visit www.splishsplashlongisland.com for park info or call (631)727-3600.

Located in Riverhead, Splish Splash is 96 acres of total fun for the whole family. Every place you turn, there is another one of a kind water attraction. And it was voted one of America's top 5 water parks by the Travel Channel even before the introduction this season of the Bootleggers Run! It's New York's first "water coaster" and propels a four-man raft uphill with state of the art hydro-magnetic technology, an experience that has been likened to riding a roller coaster without rails. Bootleggers Run joins other Splish Splash favorites including Kahuna Bay Wave Pool, Dragon's Den, Hollywood Stunt Rider, Alien Invasion and Dr. VonDark's Tunnel of Terror. In all, there are 19 water slides, 2 wave pools, and the 1,300 foot long Lazy River.

Buy Your Tickets Now

Tickets can be purchased with cash, personal check or credit card at any open ticket office. Tickets are also available at LIRR full-service (gray or blue) ticket machines. Just select the "Deals & Getaways" button on the first screen, then LI Getaways, and then select your package. Both blue and gray machines accept credit and debit cards and gray machines also accept cash.
