Throgs Neck Bridge Weekend Work: Sept. 27-30

One Queens-bound lane at the Throgs Neck Bridge will be closed from the toll plaza across bridge beginning **10 p.m. Friday, Sept. 27 through 5 a.m. Monday, Sept. 30** for binder and asphalt replacement work.

An additional Queens-bound lane will be closed during overnight hours. The closures are necessary to accommodate ongoing work to replace 67,000-square-feet of binder and asphalt overlay that has become uneven.

Motorists should use Bronx-Whitestone Bridge or RFK Bridge as an alternate.

Work is dependent on good weather.
