MTA NYCT Service Advisory: FASTRACK on AC in Brooklyn Canceled for the Remainder of the Week

FASTRACK work scheduled for the [A](#) and [C](#) lines in Brooklyn has been canceled for this week due to forecasts for snow, sleet and freezing rain late Tuesday into Wednesday. The inclement weather will require activation of NYC Subways Cold Weather plan, and the storing of trains on underground express tracks to protect the fleet, and allow crews to clear yards of snow and ice.

FASTRACK work scheduled for next week, Feb 10 -15, on the [A](#) [C](#) is not affected.

The most up-to-date information on MTA service status is always available at www.mta.info. For immediate notice of service changes, sign up for email or text alerts at www.mymtaalerts.com. For weekend subway service changes, visit <http://www.mta.info/weekender>.
