LIRR

IMMEDIATE

### Take MTA LIRR to the “Maker Faire” at Queens Hall of Science on Saturday, September 20 & Sunday, September 21

#### *Port Washington Trains Will Be Stopping at Mets-Willets Point Station at Flushing Meadow*

On Saturday and Sunday, September 20 and 21, Port Washington Branch trains will make stops at Mets-Willets Point Station from 8:30 AM until 8:30 PM for customers attending the World Maker Faire at the Queens Hall of Science.

Billed as the “Greatest Show (and Tell) on Earth,” the Maker Faire is a family friendly festival of invention, creativity and resourcefulness as well as a celebration of the Maker movement.

Part science fair and part county fair and something entirely new, Maker Faire is an all-ages gathering of tech enthusiasts, crafters, educators, tinkerers, hobbyists, science clubs, authors, artists, students and commercial exhibitors. All of these “makers” come to Maker Fair to show what they have made and to share what they have learned.

LIRR customers from Eastern Long Island should consult branch timetables for service to Woodside Station in Queens, where transfers can be made to Port Washington Branch trains on Platform B for service to Mets-Willets Point Station.

#### **For More Information**

For additional LIRR schedule information, customers should go to [www.mta.info/lirr](http://www.mta.info/lirr). Customers can also call 511, the New York State Travel Information line, and say: Long Island Rail Road. If you are deaf or hard of hearing, use your preferred relay service provider or the free 711 relay to reach LIRR at 511. For more about the Maker Faire go to [www.makerfaire.com](http://www.makerfaire.com)
