### Metro-North's Staycation Showcase Getaway Day, Wednesday May 14th in Grand Central

#### *Featuring I Love NY's Path Through History*

Find the hottest Summer Getaways in New York City, the Hudson Valley, Connecticut and beyond at Metro-North Railroad's "Staycation" Showcase on Wednesday, May 14, at Grand Central Terminal from 11:30 a.m. to 6:30 p.m.

Representatives from some of the best places in the region will be on hand to remind you of the abundance of possibilities close to home from Empire City Casino to the New York Botanical Garden to Walkway Over the Hudson.

"New York State has so much to offer in terms of its cultural richness, agriculture and history. Metro-North provides a convenient way to get to these wonderful attractions and let customers enjoy a vacation right in their own backyard," said Metro-North Railroad President Joseph J. Giulietti.

This year the showcase will appeal to history buffs with live performances and varied exhibits and displays by partners from I Love NY's Path Through History program. Re-enactors and a cultural educator will bring to life activity at historic sites around New York State. The re-enactors, in full field regalia, will help promote Path Through History Weekends, – weekend events happening at historically and culturally significant sites and locations throughout the Empire State, June 7-8 and 14-15. Residents and visitors alike can utilize Metro-North in conjunction with nearby car rental options at their station stop to visit the Path Through History sites along the rail line.

In addition to Path Through History exhibitions and re-enactors, the "Staycation" showcase also will feature tasting and sampling of the bounty of the Hudson Valley, live music presented by MTA Music Under New York, getaway prize drawings from Metro-North's exciting line-up of hospitality and tourist attraction partners.
