IMMEDIATE

### Several Throgs Neck Bridge Lanes Closed This Weekend

The Throgs Neck Bridge will have two southbound lanes to Queens closed during overnight hours and one lane closed all weekend, **Oct. 24-27** for binder and asphalt overlay replacement work.

Motorists should expect delays and use the Bronx-Whitestone Bridge or Robert F. Kennedy Bridge as an alternate.

One lane to Queens will remain closed all weekend from **10 p.m. Friday, Oct. 24 through 5 a.m. Monday, Oct. 27**. During overnight hours an additional Queens-bound lane will be closed from **10 p.m. to 7 a.m.**

A total of seven weekends of work, not to be done consecutively, are needed in order to replace 90,000-square-feet of binder and asphalt overlay. ***All work is heavily dependent on good weather.*** Once the work is finished there will be a smoother, more-even riding surface. This is the sixth weekend of work to be completed.

Motorists are urged to sign up for MTA e-mail or text alerts at [www.mta.info](http://www.mta.info), download MTA Bridges and Tunnels free Drive Time app for smart phones and iPads, or check the MTA Service Status box for the most up-to-date traffic information at MTA crossings.
