Throgs Neck Bridge Work Weekend Lane Closures

Up to two Bronx-bound lanes at the Throgs Neck Bridge will be closed this weekend, Aug. 28-31, for asphalt and binder work on the bridge.

One Bronx-bound lane will be closed from 10 p.m. Friday through 5 a.m. Monday.

Beginning Friday to Monday morning, a second Bronx-bound lane will be closed during overnight hours. On Friday night and Saturday night, the closures will occur from 10 p.m. to 7 a.m.

On Sunday night into Monday morning, the closure will occur from 10 p.m. Sunday to 5 a.m. Monday.

The roadway binder and asphalt work has been done each summer since 2012 with minimal impact to traffic. Motorists can use the Bronx-Whitestone or the Robert F. Kennedy bridges as an alternate route.

This work is heavily dependent on good weather. The contractor cannot apply new binder and asphalt in rainy weather or in extreme humidity.

Motorists can sign up for MTA e-mail or text alerts at <http://www.mta.info> and check the Bridges and Tunnels homepage or Facebook page for the latest information on this planned work.
