IMMEDIATE

Nighttime Closures Scheduled for Verrazano-Narrows Bridge's Belt Parkway Ramps

The Brooklyn-bound upper level of the Verrazano-Narrows Bridge and the Belt Parkway entrance ramps from the bridge will be closed during overnight hours November 19 into November 20, 2015, Thursday into Friday, for installation of new steel as part of the \$84.3 million project to reconstruct the bridge's Belt Parkway approach ramps and build a new bus/HOV ramp.

The work is dependent on good weather and may be canceled in the event of rain. NYPD Traffic Enforcement Agents and electronic signs will be used to help direct motorists to the detour route.

The schedule is as follows:

Nov. 19 – Nov. 20: The Brooklyn-bound upper level will be closed from 9:00 p.m. Thursday to 5:00 a.m. Friday, and the Brooklyn-bound Belt Parkway exit ramp will be closed from 12:01 a.m. through 4 a.m. Friday.

Motorists using the exit ramp to the Belt Parkway will be detoured onto 92nd Street, to Seventh Avenue, to Bay 8th Street and onto the Belt Parkway.

Motorists can sign up for MTA e-mail or text alerts at www.mta.info and check the Bridges and Tunnels homepage or Facebook page for the latest information on this planned work.
