### Throgs Neck Bridge Work Weekend Lane Closures

Several Bronx-bound lanes and one Queens-bound lane at the Throgs Neck Bridge will be closed this weekend, September 18 - 21 for asphalt and binder work on the bridge.

One Bronx-bound lane will be closed from 10 p.m. Friday through 5 a.m. Monday.

On Friday and Saturday nights, a second lane will be closed from 10 p.m. Friday night until 7 a.m. Saturday and again from 10 p.m. Sunday night until 5 a.m. Monday.

The roadway binder and asphalt work has been done each summer since 2012 with minimal impact to traffic. Motorists can use the Bronx-Whitestone or the Robert F. Kennedy bridges as an alternate route.

This work is heavily dependent on good weather. The contractor cannot apply new binder and asphalt in rainy weather or in extreme humidity.

Motorists can sign up for MTA e-mail or text alerts at [www.mta.info](http://www.mta.info) and check the Bridges and Tunnels homepage or Facebook page for the latest information on this planned work.
