### MTA Advisory: Subway Countdown Clock Train Arrival Information Unavailable on Saturday, June 13

#### ***No Train Arrival Information for 12 Hours during Software Upgrade***

Between the hours of 8 a.m. and 8 p.m. Saturday, June 13, real-time train arrival information on countdown clocks at stations and the Subway Time mobile application will not be available as MTA New York City Transit upgrades software to its PA-CIS system. However, customers will still receive audio announcements system-wide. We apologize for the inconvenience to our customers.
