RFK Bridge Queens Span Pedestrian Walkway Will Be Closed Seven Days In March and Beginning of April

The Robert F. Kennedy Bridge pedestrian walkway on the Queens span of the bridge will be closed around-the-clock for electrical work March 23-24 and again the week of March 30–April 3.

There will be no access for pedestrians and bicyclists who walk their bikes across the path beginning 6 a.m. Mon., March 23 through Tues., March 24 at 5 p.m. and from 6 a.m. Mon., March 30 through 5 p.m. on Fri. April 3.

The work is only being done on the Queens span of the bridge. The 125th Street pedestrian walkway will remain open.
