MTA NYCT Service Advisory: Reduced 5 Service To/From Brooklyn Through Evening Peak Period

Due to switch problems in the area around Nostrand Av, **5** service in Brooklyn will be affected in both directions during the afternoon rush hour today, Wednesday, December 30. Customers traveling between Manhattan and Brooklyn on the Lexington Avenue Line also should expect delays and congestion in both directions. Customers should note the following:

- **5** service will be reduced in Brooklyn during the rush hour in both directions.
- Northbound **5** service runs local from Franklin Av to Atlantic Av. Northbound customers should transfer to the **4** **5** trains at Franklin Av.
- Customers traveling onward to/from Franklin Av should consider the **2** Line.
- Some southbound **5** trains terminate at Bowling Green. Customers should remain on the platform and transfer to a southbound **4** or **5** train to continue into Brooklyn.

The most up-to-date information on MTA service status is always available at www.mta.info. For immediate notice of service changes, sign up for email or text alerts at www.mymtaalerts.com. For weekend subway service changes, visit www.mta.info/weekender.
