MTA NYCT Service Advisory: Countdown Clocks Offline Saturday for Maintenance and Testing

PACIS, Subway Time App Will be Out of Service from 6 a.m. to 6 p.m.

Train arrival information on Countdown Clocks and the mobile app, Subway Time, will not be available between 6 a.m. and 6 p.m., on Saturday, December 5, while testing takes place. During this procedure, countdown clocks will be offline because no train data will be fed to the display signs and the app. Customers should be advised that:

- No automated "next train arrival" information will be displayed in stations or on the Subway Time smartphone app;
- The Public Address (PA) System will continue to function and announcements (live and prerecorded) will not be affected.
