### Port Jefferson Branch & Oyster Bay Branch Customers Can Expect Cancellations & Combined Trains during Tonight's Evening Rush Hour

<http://www.mymtaalerts.com> Port Jefferson Branch and Oyster Bay Branch customers can expect some cancellations and combined trains during tonight's evening rush hour. This is the result of downed power lines and trees along the Port Jefferson Branch blocking several trains from leaving the Port Jefferson storage yard and causing a shortage of diesel trains scheduled to travel westbound on both branches.

Port Jefferson Branch service remains temporarily suspended in both directions between Port Jefferson and Stony Brook as PSE&G works to remove downed power lines and restore service. Bus service is being provided, but monitor our website [www.mta.info/lirr](http://www.mta.info/lirr) and the LIRR's TrainTime App for up-to-the-minute service info.
