### Advisory: Overnight Service Suspension on 6 Line Between 125 St and Hunts Point Av

#### *Previously Scheduled FASTRACK on 45 Lines Canceled Tonight*

Service will be suspended in both directions on the **6** Line between 125 St and Hunts Point Av from approximately 10 p.m. tonight to 5 a.m. Wednesday. The service suspension is a result of a derailment earlier today. At approximately 7:30 a.m. this morning, the ninth car of a 10-car train derailed on the express track south of Longwood Av as it was in the process of towing another train that had failed to take power.

Free shuttle buses will provide alternate service for late night **6** customers between 125 St and Hunts Point Av. During the overnight shutdown, crews will work to re-rail the car that derailed, inspect for damage in the area, and make any necessary repairs.

In addition, there will be no express **6** service between 3 Av-138 St and Hunts Point Av during today's p.m. peak. Northbound express service will still be provided between Hunts Point Av and Parkchester. Previously scheduled FASTRACK work on the **4** **5** Lines is also being canceled tonight.

Crews will work to restore regular weekday service on the **6** Line for Wednesday morning, but Manhattan-bound 6 express service may be affected during the Wednesday morning peak hours and customers are urged to allow additional travel time.
