### **New Traffic Pattern In Place Manhattan-bound Henry Hudson Bridge Beginning Tues., Feb. 24**

One Manhattan-bound lane at the Henry Hudson Bridge will be closed to traffic for approximately a month beginning Tues., Feb. 24.

Motorists driving on the two-lane Henry Hudson Parkway will continue across the length of the bridge using the center and right lanes.

Contractor P.J. Scariano will be relocating a water main near the toll plaza. The work is expected to be completed in about four weeks. All work is dependent on good weather.
