NYC Transit IMMEDIATE

Canarsie L Tunnel Public Workshop Canceled Due to Pending Snow Storm

The first jointly held MTA New York City Transit and NYC DOT public workshop scheduled for tomorrow in Manhattan from 7 p.m. to 9 p.m. at the Village Synagogue -- 334 East 14th Street -- has been postponed due to the pending snow storm and will be rescheduled at a later date.

The public workshops will serve as a forum for the MTA and NYCDOT to provide information on the Canarsie I Tunnel repairs and to solicit community feedback on possible alternate travel options during the planned 18-month closure. These sessions will seek input for traffic modeling and analysis as service plans to minimize impact are being developed. Representatives will also be available to discuss construction impacts, ADA issues, and bus and subway service as it relates to the closure.

The next scheduled workshop will take place on February 16, 2017, from 6 p.m. to 8 p.m. at the Williamsburg HS for Architecture & Design -- 257 North 6th Street, Brooklyn
