Metro-North Crews to Make Improvements to Hudson Line Weekends of November 10-11 and November 17-18

Minor Weekend Schedule Change in Effect to Accommodate Infrastructure Improvement

MTA Metro-North Railroad is advising customers that during the weekends of November 10-11 and November 17-18, crews will make improvements to the Hudson Line in the area between Peekskill and Beacon. Metro-North crews will surface track and switches in the vicinity of Cold Spring, this work which will help ensure that customers enjoy a smooth ride and safe, reliable service.

This track work will require single-track operation for a distance of 12 miles between Peekskill and Beacon, resulting in minor schedule adjustments for certain trains during the weekends of November 10-11 and November 17-18.

Local trains operating between Grand Central Terminal and Croton-Harmon will not be affected by the track work and will run on a regular weekend schedule.

The following schedule adjustments will be made on those weekends:

Northbound to Poughkeepsie

- Trains from Grand Central Terminal to Poughkeepsie will depart 15 minutes later and will arrive at Poughkeepsie 15 minutes later than reflected in the current timetable dated September 30, 2018, through April 13, 2019.
- Trains from Grand Central to Poughkeepsie that normally depart at 4:14 p.m., 5:14 p.m., 6:14 p.m. and 8:14 pm are temporarily canceled.

Southbound to Grand Central Terminal

- Trains from Poughkeepsie to Grand Central Terminal will depart Poughkeepsie 15 minutes **earlier** and will arrive at Poughkeepsie 15 minutes earlier than reflected in the current timetable dated September 30, 2018, through April 13, 2019.
- Trains from Poughkeepsie to Grand Central Terminal that normally depart at 8:27 a.m., 9:40 a.m., 10:40 a.m. and 3:40 p.m. are temporarily canceled.

Many Channels for Service Updates

Information about the planned service change noted in this press release, and all planned service changes, is available through Metro-North Railroad's real-time service information sources:

MYmta app – Customers who use the new, comprehensive MYmta app will see real-time travel information for Metro-North and connecting services all in one place, with push notifications when service is not operating normally. As a caution, trains that start out their trips on time may experience delays en route. The Metro-North Train Time app also remains available for customers to access Metro-North train information.

MTA.info – The rail tab of the "Service Status" box at new.MTA.info is always the definitive source for the latest status for each line, updated every minute. In addition, customers can visit www.mta.info/mnr to see special service notices in the upper center of the page.

Email and text message service updates – Customers are urged to sign up to receive the alerts by visiting MyMTAAlerts.com. To avoid unwanted messages, a user can tailor the messages to the specific branch, and the specific times of day.

@MetroNorth on Twitter – Twitter users can follow @MetroNorth to receive updates of a similar nature to the email and text alerts, shortened to fit Twitter's format.

The above communications channels can be accessed while at home or on the go. For customers who are located at stations, Metro-North will post the latest service updates on **digital signs** at station platforms and will make **audio announcements** over public address systems, and on-board announcements made by train crews.

For those who prefer the **telephone**, information is available from the Metro-North's Customer Service Center by calling 511, the New York State Travel Information Line, and saying: "Metro-North Railroad." For customers calling from Connecticut, the number is: 877-690-5114. Those who are deaf or hard of hearing can use their preferred service provider for the free 711 relay to reach Metro-North at 511.
